

Using eBooks

eBooks are available on a wide variety of platforms. While these platforms all look different, they generally have similar features and functionality.

Read online

Unlimited access.
No software required.

Download & print limits

Some books limit the number of pages you can print or download.

Publication details

Author, title, publisher, edition

The screenshot shows the ProQuest Ebook Central interface for the book "Campbell Biology, Australia and New Zealand Version, 12e" by Urry, Meyers, Cain, Wasserman, Minorsky, and Orr. The interface includes a search bar, navigation tabs (Search, Bookshelf, Settings, Sign In), and a sidebar with options like "Read Online", "Download Book", "Add to Bookshelf", "Share Link to Book", and "Cite Book". The main content area displays the book cover, title, authors, and availability information. A callout box highlights the "Read Online" option, another highlights the "Download & print limits" (394 pages remaining for copy and PDF), and a third highlights the "Publication details" (Title, Edition, Authors, Publisher).

Search

Search within the book for a word or phrase

Download, print, etc.

Note any limits on how much you can download or print

The screenshot displays the ProQuest Ebook Central interface. At the top, there is a navigation bar with 'Home', 'Search', 'Bookshelf', 'Settings', and 'Sign In'. Below this is a toolbar with various icons for downloading, printing, and navigating. The main content area is divided into a left sidebar and a main reading area. The sidebar shows the book title 'Campbell Biology, Australia and New Zealand Version, 12e' by Urry, Meyers, Cain, Wasserman, Minorsky, and Orr, published by Pearson Education Australia in 2021. A search bar is highlighted with a pink box, and a 'Table of Contents' section is also highlighted with a yellow box. The main reading area shows the title '1 Evolution, the themes of biology, and scientific inquiry' and a figure caption: 'Figure 1.1 Over millions of years, Australia's climate became hotter and drier'. Below the caption is a photograph of a Banksia serrata plant growing from a charred log. A yellow box highlights the 'Table of contents' section in the sidebar, with a callout box stating 'Go directly to relevant chapters.'
